RUGBY LEAGUE

LANGASHIRE CUP FINAL.

---

Picture.:-

Salford's Rugby Team trots out into a high wind at Warrington

to fight for the Lancashire Rugby

League Cup Final, against the Wigan Team. Rain has somewhat spoiled the game,

and of the expected thirty-thousand,

only fifteen-thousand turned up. Salford kicks off into the difficult wind, but soon

develops an attack which causes Wigan a lot

of trouble. After several valiant efforts to get over the Wigan line, Bradbury battles through close to the post, and scores a

try, after only five

minutes of play, and Risman converts, putting

Salford five

points up. Nevertheless, the game is by no means dull. Wigan's defence struggles manfully

against the Salford combinations. Sullivan gave Wigan the lead, nicely

placing a penalty goal,

but Salford pulled up with two tries by Feetham, and

took the match by

fifteen points to seven, and the

Coop by 'and. By goom !
