THE CAMBRIDGESHIRE.

THRILLS AT NEWMARKET.

---

Picture.:-

Again thousands of people, all with time to see the Cambridgeshire Stakes at Newmarket. Some of the people had

money when they came. There they go ! The horses carrying money ! A field of forty, and all somebody's favourite. ~~But~~ thirty-seven

of them will be cast off darlings before a couple of minutes

are over. 'Finalist' and 'Pegasus' started at the smallest prices, but they have already been passed by half a dozen outsiders. My selection is doing well. He's fourth from the back end of the queue. Your's is keeping him company.

But the winner is 'Commander III'. But that's not what I called him !
