ROYAL WEDDING  
PRESENTS.

PRIVILEGED VIEW AT ST. JAMES'S PALACE.

---

Picture.:-

Pictures of some of the wedding gifts which have been showered upon the Duke of Gloucester, and his bride, Lady Alice Scot.

Sets of jewels form a very attractive and exceedingly valuable part of the tokens of affection and esteem. This galleon was made by the toes of an armless boy cripple.

The cards on these lighters tell their own charming little story. Their Majesties the King and Queen have given magnificent examples of the jewellers' art. The presents are now on view at St. James's Palace.
