(A) Picture:- Yo ho ! Tally ho ! Bung ho !  
And all that ! The hunting season is on. The  
hounds say good-bye to the baby, the  
hunter says good-bye to the stirrup cup,  
and horses and hounds move off to where they're going,  
and the stag moves off to where he's going. And he's wasting  
no time ! He heard the hunters  
talking about the Meet, but how was a poor stag  
to know the hunters spelled it with two e's. And no cut-

(B). --off the joint ! Oh ! Manchester's gone all American,  
and is burning this guy on the hot  
seat. Belle Vue's bonfire is  
a bon-fire this  
year. Bigger and better than ever. Nineteen special trains  
brought  
the people into the town to see it. There's as much heat here  
as at  
a mixed night club's bottle party, but it's less  
dangerous. It took four weeks to build, and now,  
after four hours brilliant service, it is fired !
