CHICAGO RINK THRILLS.

---

Picture.:-

America's ice-hockey season starts. The Chicago Black Hawks

play the New York Americans. In this game it is stick work which

counts, and the New Yorkers - - enjoy your trip - - are getting the

sticky end of the stick ! Still, they stand

up for their side - - ach you ! - - and are

determined to win the event if they have to

fight to do it. In the 5th round the Hawks land some hefty swings, but the New Yorkers battle pluckily

for the honour of American hockey. However, despite a spirited defence, and a few lefts

to the jaw in Round 8. The Hawks win by half a dozen bruises, and three-goals to one.
