WINTER            SPORTS.

FIRST SKI-MEET OF THE SEASON.

---

Picture.

The winter snows in the Alps always bring a trail of ski-ers. Included in this party of enthusiasts are many famous ski performers. who take their first leap of the season. A number of them have come to start their training for the ski-ing Olympiad. And considering it's the season's first trials, the efforts are certainly of credit to the competitors. (EFFECTS).

And there you are ! The first ski-ing pictures from the Continent. And it's UNIVERSAL, of course !
