

A CHRISTMAS PARTY

GREAT DAY FOR POOR KIDDIES OF HOXTON.

---

Picture.:-

A peep at the way other kiddies enjoy themselves at Christmas time. This is a very excellent band, everything, of course, considered, including the age of conductor and players; none of them being over five years old, which is pretty early for them to blow their own trumpets. This marvellous party has been arranged by the 'Save the Children' Fund. It looks like 'Fill the Children Fund'. (Jammy Face !)

And Santa Claus is aided and abetted by the very charming actress Flora Robson; old man Santa being Mr. H. D. Watson, Chairman of the Fund. The kiddies belong to Hoxton's unemployed, and this party is a real high spot for them, and a fine work to be doing.
