SIR SAMUEL HOARE

FOREIGN SECRETARY DESIGNS.

---

Picture. :-

A short week or two ago, Sir Samuel Hoare was by the General Election returned to his post as Foreign Secretary. Crowds cheered him, as he re-entered No.10. Downing Street. Now he is Foreign Secretary and Cabinet Minister no longer.

As he said "Britain and France followed a double policy with regard to Italy, and it has been a case of falling between two stools", but Sir Samuel Hoare's exit is an honourable one.
