

NIGHT WITH THE STARS.

No w we provide you with a stall seat at a ----
 ---most select Parisian function; Maurice -----
 --Chevalier, Mistinguette, and a bottle of bubbly, make a
 charming picture-----
 And there is Detroyat the famous French pilot-----
 --And Sacha Guitry has brought----
 ---Jacqueline Xubillas Delaubac, his latest leading lady,
 and-----
 --somebody else has brought a ----
 ----bunch of Parisian pretties for our enterttainment. And if--
 ----- you dont see enough of them, well, its not their fault---
 ---Almost every French theatre, cinema and----
 --- sporting star is here in the cause---
 --- of charity. The funds collected-----
 ---go to make life easier for distressed----
 ---performers. A special dance-----
 ----item is given by the graceful male dancer, Serge Lifar and
 his partner. I'm told this is a poetic feast for those who
 like it, but for those who dont, well, there's alway one's
 lady friend or a stiff drink ----
 ---or both to make us happy.
