

INTERNATIONAL FOOTBALL.

PARIS v. MOSCOW.

---

Picture.:- All those people are there to

see the 'footer match between FRANCE, now trotting out with  
elan,

(whoever he may be ?) and MOSCOW,. First a very

polige exchange of penants. - - Toujours la politesse !  
Isn't it ?

And now for football,

as he should be kicked. The Russians

are in the dark shirts. We were very disappointed to see  
that they hadn't bushy black beards - - now shoot you - -  
shoot ! Oh ! He's just missed ! - -the grand stand !

After that , and a few other excitements

it's anybody's game, if anybody wants it ! The press  
reports said both teams had good speed, but our operator  
didn't think so. So when he woke up the third time,  
he decided to 'pep' the game up a bit for you !

(EFFECTS - 2 SHOTS).

Some fine efforts on both sides made the score  
one-one. Then France

forgot to be polite to their visitors, scored another  
, and won the game !
