F.A.CUP. THIRD ROUND.

West Ham United welcomes Luton Town

to Upton Park, and right from the kick off, starts an attack which becomes a big threat to Luton, but Coen takes charge, and saves the situation,

for the moment. Luton made a dangerous reply and

came near to scoring, but the ball was luckily sent back by a recumbent player and

West Ham again worried Luton's goal, until Magnall took the ball from Marshall, and shot a clear

goal. Coen was kept busy, and did excellent work, his net having many

narrow escapes. Soon after, Luton carried the attack to the home goal. Conway made

a brilliant save, but the visitors equalised from a

corner. The match ended in a draw two-two.

.....

At Southall, the home team comes out. They are the last amateur club in

the F.A.Cup. They meet

Watford, third division professionals, but their star centre forward, Graves, is absent. A.R. Eagles is

taking his place. Watford starts the ball rolling,

and Southall immediately begins a dangerous drive into the visitors' half. By the way the match has broken all previous records for this ground. Nearly 14,000 people are present. A fast movement along Southall's left wing; Wilshaw shoots, and McHugh saves,

and kicks back to Southall's goal. Barnett shoots and Green just gets it out.

Backwards and forwards goes the leather again, with long-range kicking

Green has his hands full most of the time. He clears again, runs right out too far out, but kicks clear. Watford returns to the attack, and this time they score. (EFFECTS) So passed the last of the amateurs from the Cup Final rounds. Watford beat them four goals to one. (EFFECTS)
