OUT OF THE PAST.

1936

HAIRDRESSING
STYLES.

Picture.:-

Mr. Lohle (L O H L E, by the way), is an artist. He studies old pictures and engravings of the past, and from them

evolves hairdressing styles for the future. Having got the idea, he starts the "Shave, or Hair Cut, Madam" business, adorning the lily, as it were !

But perhaps he had better explain it to you himself.

NATURAL SOUND.
