

KIDNAPPERS IN ENGLAND!

LIVERPOOL AFFRAY.

Picture.

Liverpool was the scene of a daring kidnaping raid.

Accent on the kid !      The victim is

George Formby, tha' knaws ! And he's taken

for a ride by the University

Students, who hope to raise ransom money on him!

The poor fellow is forced into a fur coat long overdue  
at the dyers' and cleaners,

and put into a special flying flea for a flight.

Oh ! A very special 'flying flea'.

An insect likely to give anybody a record  
flight into Hospital. George and Flea are

given a marvellous send off, but

the treacherous insect crashes. Bites George  
who is carried off

to the accompaniment of hoots of mirth from his

public, and the strains of vigorously shaken  
collecting boxes, vigorously collecting  
a hoped for record total for Liverpool hospitals!
