

MRS AMERICA.

4/5/54.

And now --- this is more like it --- at the Florida contest to
~~win~~ select Mrs America --- Mr America does what he's told. In the
spring of 1954 they're choosing a girl to be Mrs America 1955.
It's a long way ahead. How do they know that in 1955 she won't
be Mrs Somebody Else? /
