

CAT SHOW.

4/6/54.

Who said fish? These are the champions of the Australian Cat Society in the annual show in Sydney. It's a well-known fact that the cat is one of the cleanest animals in the world. He washes his face *all* every day except Saturday. *over* That's his half-day off.

And that's the winner.

STRONG MAN.

And also in Sydney, Australia --- they're judging the top torsos to find Mr Australia for 1954. It's a spectacle that makes old girls young and young girls frantic. The winner is John Penman --- and he gets a cup valued at a hundred pounds.

KIDS' GOLF.

Back in America --- we have the children's golf championship at Orlando, Florida.

Got it!

They said he could play in the sand-pit --- but it's worse than work.

Now another of these budding Ben Hogans does a terrific drive.

~~XXXXXXXXXXXXXXXXXXXX~~ O.K. --- drive on.

But when it comes to sinking a putt --- well--- how's that?
