

CANADIAN CHOIR.

13/8/54.

For the first time, a choir from Canada is singing in the regular services in London's Westminster Abbey. ~~Theyxxxxxxxxxxxx~~ It has come from St George's Cathedral in Kingston, Ontario,--- to take the place of the usual Abbey Choir which is on holiday. This ~~xxxxxxx~~ visit is the result of a good idea on the part of the Abbey's organist --- who now bids them welcome. /
