

The Sheriffs' Rodeo in the Los Angeles Coliseum is the biggest rough-riding show of the year . When the curtain went up on the first Brahma Bull it ~~xxxxxy~~ started living up to its reputation.

No. 2 Bull was no less mean and moody.

No. 3 acts so much like the bad man of the westerns --- it's obviously one of those pictures where they need a new sheriff

This really is a super-coleossal. The bad man is so bad he even hates the audience.
