

In the rebuilt Stadium at Woolwich, the days when war was a ~~hit hit~~ ^{let}
more picturesque and a ~~terrifying~~ bit less petrifying
were lived again in the Royal Artillery Searchlight Tattoo. This was
the Musical Drive of the King's Troops, Royal Horse Artillery,

The Royal Artillery Massed Bands.

American Troops in Britain joined in with a display of precision drill.

And for the finale --- all personnel.

And this ~~was~~ ^{was} the Artillery.
