

a big crowd ^{sees} ~~sees~~

Oxford kicked off in the Varsity Rugger Match at Twickenham - and started a game where the points ^{are} ~~were~~ hard to find as stars on a foggy night.

Watch now how from a line-out the Dark Blues start moving.

but the movement is soon broken up by the Cambridge defenders.

Early in the game an infringement in the scrum gives the Light Blues a penalty kick; and Davis the full back puts over a beauty.

Here goes Lawrence --- the Oxford wing-three-quarter.

But he's well-tackled and the ball goes out of play.

Now from a drop-kick the Dark Blues register a near-miss.

So much for the Oxford attempts to get on equal terms --- and in the second half the Light Blues fight to get farther ahead; but time and again the Oxford defence holds them at bay.

With only a few minutes ~~left~~ to go --- when the score is still Cambridge Three Points --- Oxford nil --- mighty efforts from both ~~sides~~ sides carry the ball from goal to goal. But those three points are enough to give the victory to Cambridge.
