

Naval aircraft from 1916 to 1955 were on show at the "Air Day" Display held at the Naval Air Station at Ford, in Sussex. Among the new ones were some which were still only prototypes for the future --- and the old, included this Sopwith Pup from the First World War. There were other types which seemed to have come off the assembly line after splicing the mainbrace.

CLARK GABLE WEDS.

At home on his ranch in California --- one of the great stars, Clark Gable..... with the former Kay Williams; who --- at a quiet wedding ceremony in Nevada, had just become Mrs Gable; the fifth

INDO-CHINA.

Indo-China --- lately being torn to pieces by war --- still, in so-called peacetime ~~xxx~~ has to endure periodical waves of violence. Focal point of this demonstration was the chief hotel in Saigon; but fires were started in many streets.

Firemen with hoses --- police with tear-gas and small-arms fired into the air, sought to put down the riot. It was supposed to be a protest against Geneva.
