

Needless to say there was a big crowd at Roker Park to watch League Leaders Sunderland kick off against Moscow Dynamo, the champions of their League in Russia. An early Sunderland attack was foiled by goalkeeper Washin.

Now it's the turn for an attack by white-shirted Dynamo --- and a save by Fraser of Sunderland.

First half excitement was a goal from Fleming --- but it was offside.

Followed soon afterwards by a dangerous - looking onslaught by the men from Moscow.

But Ilyin's goal was also ruled offside.

Dynamo kicked off for the second half --- having had the edge on the play up to the interval although the scoreboard still recorded no score. And here ~~comes~~ another attack to test the Sunderland goalie.

For this match, spectacular Len Shackleton was playing ~~out~~ on the left wing. *outside left - but here he's moved in.*

~~But~~ This pass ~~was~~ to the inside was wasted; and Sunderland's chance of victory had vanished. With only three minutes left, Moscow Dynamo gained the victory by a goal from Ilyin.
