

To the cheers of their excited supporters, Bedford Town came out for the Third Round Replay they had forced on Arsenal for the F.A. Cup.

Bedford started off by winning the toss---- and Arsenal supporters wondered --- what next? Arsenal kicked off.

And here's an early attack by the boys from Highbury --- but the giant-killer non-League side, held them to a goalless first half.

Bedford kicked off for the second half, and, in half a minute, ran through for Yates to score the first goal.

Bedford one --- Arsenal nil. That was a situation to be faced with after having the drawn match at home --- and Arsenal attacked with desperation --- but no goals came.

Once again, little Bedford put the ball into the Arsenal net --- but it was ruled offside.

Only four minutes from time --- Arsenal made it one - all.

Extra time --- and Arsenal scored a beauty to make it two - one.

But Bedford refused to admit defeat; they attacked again <sup>found the goal</sup> and scored again --- but again it was ruled offside.

So gallant Bedford had champagne in the dressing-room --- as consolation for a near miss.
