

One of the chief items on the programme of events for Mr Malenkov's visit to Britain, was this conducted tour round parts of the atomic energy research station at Harwell, in Berkshire. The Soviet Minister was ~~accompanied by Sir John Cockcroft, the station~~ ~~operator,~~ climbed a ladder for a bird's eye view of a new heavy water plant under construction. On his return from Harwell Mr Malenkov called at No. 10 Downing Street, accompanied by the Russian Ambassador, Mr Malik.

Mr Malenkov's chat with Prime Minister Sir Anthony Eden lasted just over twenty minutes.
